

## **Harrogate District Over 50's Forum - A Voice for older people in the Harrogate District**

The topic of the November meeting is **'What is happening to the NHS?'**

**Thursday 26 November 2015, 2.00 – 4.00pm**

St Paul's Church Hall, Victoria Avenue, Harrogate HG1 1EL (opposite Harrogate Library)

There will be a presentation about current changes in the way that NHS services are funded and managed, followed by a discussion about current issues affecting older people.

The Forum is a regular meeting for older people to have a say about the things that matter to them. The Forum offers a chance to find out about different services available to older people and to help influence the way these services are delivered. It is also a good opportunity to meet people and enjoy a social gathering.

For information about local events, social outings and trips and also information on issues affecting people over 50:
