Start: 1.30pm - Finish: 3.30pm Thursday 5<sup>th</sup> March 2020

St Paul's URC Church Harrogate, Victoria Avenue,  
Harrogate, HG1 1EL

North Yorkshire County Council and partners have been working together to look at how North Yorkshire can become an age friendly community.

We would like to hear your views about:

- What is working well in Harrogate to make it age friendly?
- How could we make the area more age friendly?

This is an opportunity for you to have your say at the start of a process that must be led by older people and should result in an improved environment for us all to age in an age friendly community. At the event we will look at a range of topics such as transport, housing, respect, communication, employment and community and health services. Feedback from the event will help us to plan for the future.

The event is open to anyone over 50 and to representatives of organisations that provide services, help or advice to older people.
