Talking about Dementia

Do you want to know more about dementia? Perhaps you are caring for someone living with dementia. Do you want to know how you can help make Harrogate a supportive place for people living with dementia?

Life doesn't end when dementia begins, and we can all do something to help people living with dementia hold onto their lives and the things they love for longer as well as doing new things and gaining new experiences. Come along and hear from Dementia Forward and the Alzheimer's Society about some of the work they have been doing and about the people they support.

Meeting at St Paul's (opposite Harrogate library) 24th September 2015 2-4pm
